OPB: Oasis (1995)

E♭ | B♭      **Slip** inside the eye of your mind      **Take** me to the place where you go  
C- | G-      Don't you **know** you might find      Where **nobody** knows  
A♭ | B♭ | E♭      A better place to **play**?      If it's **night** or day  
E♭ | B♭      **You** said that you'd never been      But **please** don't put your life in the hands  
C- | G-      But all the **things** that you've seen      Of a **rock** 'n' roll band  
A♭ | B♭ | E♭      Will slowly fade **away**      Who'll throw it all **away**
